## INTERNSHIPS

### AiRobosoft, 5 Weeks

During my internship at a movies website, I was immersed in the exciting world of film journalism and digital media. My responsibilities included writing engaging movie reviews, creating captivating content, and managing social media platforms to increase audience engagement. I learned about search engine optimization (SEO) techniques to improve the website's visibility and drive traffic. This

## COURSES & CERTIFICATIONS

- Full Stack Web Developer

experience not only deepened my passion for cinema but also equipped me with valuable skills in content creation, digital marketing, and audience analysis. Overall, it was a rewarding and enlightening journey that solidified my desire to pursue a career in the entertainment industry.
